

How Productive Can Your Staff Be In Helping You Grow This Quarter?

Invest Into An IEMG WOODSHED™ Meeting and You'll Grow Extensively!

It's time to get to work...
in the WOODSHED™

IEMG Woodshed™ Meetings have proven to be the most cost-effective, motivational marketing tools a growing company could ever possibly invest in to. Your entire staff will become incredibly motivated to carry out your sales, marketing and operational objectives by learning:

- How all your departments (teams), both offensive and defensive, can work together in a mutually-beneficial atmosphere and how each team affects the bottom-line and your revenue stream!
- How to market effectively and proactively communicate with prospective/existing customers about "what's in it for them?" increasing recurring revenue and referrals.
- The **Full-Circle Effect** and how to set objective task listings that motivate and inspire and help your staff complete projects on or before the time they are due.
- The importance of a company-wide mantra for increasing sales and how to implement an incredible sales and marketing plan that will have your competition scratching their heads!
- How much FUN it can be to go to work when you have a team of people all pulling in the same direction with the same goals to achieve!

You can do numerous things to help grow your business, but nothing will be more beneficial and ultimately cost-effective to your bottom line than holding a "WOODSHED" with IEMG. It was by far the best meeting we've ever had with our staff..."

You can invest tens of thousands of dollars on sales, marketing and operational programs that will only produce a small percentage of your investment. Or, you can get your team into a WOODSHED™ and produce long-term, cost-effective, bottom-line results...

"We've held two of IEMG's WOODSHED meetings with our entire staff, over 50 people each time. The level of motivation we saw in our staff over the next few months was literally incredible. It was like a complete change of heart with each and every member of our staff. We couldn't be happier with the results..."
